

2023 Edgewood Men's Club Course Guidelines

These guidelines will cover Penalty Areas and Out of Bounds areas on both the Pines and Oaks course. We should use these while playing in Men's Club.

Penalty Area Legend: All Water, Bunkers, Native Grass, Wooded Area with grass higher than rough height will be considered a Penalty Area and be played as such. Commonly referred to as red/red penalty (stakes or lines within the grass)

Penalty: One Stroke Penalty and you may drop your ball at the nearest point where it crossed into the Penalty Area. Must not be closer to the hole.

Out of Bounds: You have two options for Out of Bounds. Drop and re-hit from the original spot with a One Stroke Penalty or you may drop your ball at the nearest point where it crossed OB and take it out into the fairway no closer to the hole and drop with a Two Stroke Penalty.

Drop: Drop must be from the height of the knee. If the ball moves you re-drop again. If the ball moves a second time you can place the ball. Once a drop has been made, you can no longer touch the ball.

Bunker/Sand: Due to many factors (wildlife, people not raking the bunkers, weather, etc...) if your ball comes to rest in one of these areas, you may ask your playing partners if they think you are entitled to relief. If the entire group agrees, you will then rake the area and replace your ball in the same spot of the bunker.

Pines Course:

Pines #1:

- Penalty Area: Wooded area on the left that goes up close to the green
- Out of Bounds: None

Pines #2:

- Penalty Area: All Native Grass on hole. Wooded areas left and right off the tee and water
